Mission to Haiti Canada is a non-profit charitable organization that aspires to create and nurture opportunities for Haitian people.

Our mission is to empower the Haitian people with the skills and means to create a better life for themselves through education, nutrition, health care, and Christian mentoring with life skills.

Every January and November, volunteer teams travel to Haiti to help rebuild lives after the devastating hurricanes and earthquakes destroyed much of the country. These volunteers include medical professionals, builders, teachers, Christian leaders, and caring people. Together they assist in building projects, set up medical clinics, food distribution, vacation bible school, and teach important skills to the people of Haiti so they may continue to support themselves, their families and their communities.

The needs continue to be great and sometimes never ending. For more than 15 years, Mission to Haiti Canada has been able to make a difference in the lives of many communities and Haitians with the help of volunteer teams.

On **April 30, 2016** we will be hosting a **Fundraising Gala**, to help sustain the various project costs such as medications, food distribution, school supplies, shipping containers to Haiti, building new churches and schools, and numerous other developments that are undertaken by Mission to Haiti Canada.

The Gala will be held at the **Cambridge Holiday Inn**, and will feature dinner & dance, silent auction, raffle draws, live entertainment, as well as a presentation by Mission to Haiti Canada.

We are appealing to corporations and businesses for sponsorship or donations of significant items for the silent auction and raffle draw.

Generous donors are crucial to a successful event and the continuation of the important work being done in Haiti.

Your generosity will allow MTH Canada to continue their amazing work to change and improve countless lives and we thank you from the bottom of our hearts.
